Building Surveyor

Description

Building Surveyors for Luxury Residential & Grand Resorts in the Caribbean – Generous Tax Free Packages

Are you a skilled **Building Surveyor** looking for a career-defining opportunity in a stunning tropical setting? We are seeking experienced professionals to work on high-end **luxury residential developments and grand resort projects** across the Caribbean.

- **Tax-Free Salary** – Maximise your earnings with competitive, tax-free compensation.
- **Luxury Projects** – Work on world-class resorts and exclusive residential properties.
- **Breath-taking Lifestyle** – Enjoy pristine beaches, year-round sunshine, and a relaxed island lifestyle with a strong expat community.
- **Career Growth** – Gain international experience in a booming development market.

Key Responsibilities:

- Conduct building surveys, condition assessments, and structural inspections.
- Oversee construction quality, compliance, and project management.
- Ensure adherence to regional building regulations and sustainability practices (British Standards).
- Work closely with developers, architects, and contractors to deliver world-class projects.

Requirements:

- Degree in Building Surveying or Quantity Surveying.
- Strong knowledge of building codes, regulations and materials.
- Excellent project management and communication skills.
- Willingness to relocate internationally.
