### Estimator

#### Description

**Construction Estimator or Quantity Surveyor | Hertfordshire |**

***Up to £65,000 + Travel Allowance & Pension***

Our client is well-established in the specialist field of architectural glazing and metalwork in the commercial sector. As part of a period of planned expansion they have a new opportunity for an Estimator to join their team. This role would suit someone who has had prior exposure in this specialist field or within an allied business such as curtain walling, cladding, steelwork, glazing, pricing jobs up to £2million in value.

You could be fulfilling either a Quantity Surveying or Estimating role and are now looking to further your career as a dedicated Estimator within a well-established business that can offer long term career prospects and a high-level autonomy within the role. A degree is not essential.

They have a diverse client base with projects in the aviation, transport, commercial and education sectors, across London and the Home Counties.

Your services are urgently required to help fulfil the demand and in return you will be offered a defined career path and the financial recognition and support a privately owned and operated business can offer.

Please apply below by [uploading your CV](#) in strict confidence through Speyhawk's website, quoting the reference: Estimator JP957
