Graduate Quantity Surveyor

Description

Graduate Quantity Surveyor Bedfordshire

Up to £30,000 plus pension

This is an excellent opportunity for a recent quantity surveying graduate to join a privately-owned main contractor, operating throughout London and the Home Counties.

The role is for a Junior / Assistant Quantity Surveyor and it's likely you will be newly qualified as a QS.

Working closely with a Senior QS and the Commercial Director, you will be trained to price and manage fast track fit out projects, in the commercial sector, with typical values between £250,000 & £2.5million.

You will also help to oversee the delivery of projects and will have responsibility for documenting any variations/changes and factor these into the budget and programme to ensure contracts are delivered accordingly.

Please apply below or upload your CV through our website to Jamie Pearson, quoting the reference: Graduate Quantity Surveyor JP895

Graduate quantity surveyor - Graduate QS - Quantity Surveying Graduate - Trainee QS - Construction Graduate
