### Project Manager

#### Description

#### Project Manager – Retail Fit Out – Construction

**Up to £75,000 plus car allowance, pension & annual bonus**

Project Manager for a specialist contracting business in the fit out market who operate throughout London and the Home Counties.

Our client is a long-established name in the specialist retail fit out sector. They are - highly successful in the delivery of fast track fit out projects in the retail / shopfitting sector.

They are now looking for a commercially minded Project Manager with a good all-round appreciation of building, both new build and refurbishment of retail stores with the ability to take control of projects from client brief through to hand over. You will work closely with a Commercial Manager monitoring the financial control of projects, including cash flow forecasts, procurement and payment of trade contractors, documenting any variations and reconciling accounts accordingly.

You could be a time served tradesman, who has progressed through the ranks of site/project management and are now looking to run your own projects, or you could have a formal qualification in a construction discipline, with 3 years plus experience in the UK construction industry on fit out projects as a Construction Project Manager.

Currently in a position where your achievements go unrecognised and your efforts unrewarded, you are now seeking a new and stimulating challenge, offering you the autonomy to run your own jobs and work closer to home.
