Project Surveyor

Description

Project Surveyor | Client Side | Bucks | Northants

Up to £70,000 + Travel Allowance (£5k), health and pension

This is an exciting opportunity with a boutique Project and Cost Management Consultancy. The requirement is for an experienced Project Surveyor or Cost Manager to act as the clients commercial representative on new build commercial projects.

You will be responsible for developing cost plans and post contract commercial duties on live projects with values ranging between £5m and £15m. These could be new business parks, industrial warehousing or distribution centres.

Key criteria:

- BSc. Quantity Surveying or Construction Management
- Ability to create effective Cost Plans
- Commercial or Industrial project experience
- Client side or Consultancy background

Please apply below through our website in strict confidence to Jamie Pearson quoting the reference: Project Surveyor JP925
