Quantity Surveyor

Description

Quantity Surveyor – Precast Concrete Specialist – Middle East

Six figure Tax-Free basic, plus accommodation and living allowance.

Our client, a leading specialist in the precast concrete sector, is seeking an experienced and dynamic Quantity Surveyor to join their team in the Middle East. Renowned for delivering high-quality precast solutions for large-scale commercial, residential, and infrastructure projects, this is an excellent opportunity to advance your career in a thriving, international environment.

Role Overview:

As a Quantity Surveyor, you will play a pivotal role in the financial and contractual management of precast projects, ensuring they are delivered on time, within budget, and to the highest standards.

Your responsibilities will include:

- **Cost Management:** Preparing, monitoring, and controlling budgets throughout project lifecycles.
- **Valuations:** Conducting on-site measurements, preparing interim valuations, and ensuring accurate client invoicing.
- **Contract Administration:** Managing contractual obligations, documenting variations, and resolving disputes.
- **Procurement:** Sourcing and negotiating with suppliers and subcontractors for precast elements and related works.
- **Collaboration:** Working closely with project managers, engineers, and clients to ensure seamless delivery.

Key Requirements:

- A degree in **Quantity Surveying**, Civil Engineering, or a related discipline.
- Minimum of **5 years of experience**, with a strong background in precast construction projects.
- Familiarity with international standards/contracts to include NEC would be advantageous.
- Previous experience in the UAE or GCC market is highly desirable.

Why Join?

- Work on prestigious precast projects that define the UAE's skyline and infrastructure.
- Enjoy a **tax-free salary** with a comprehensive benefits package, including housing and travel allowances.
- Be part of a forward-thinking company that values innovation, sustainability, and professional growth.
