Senior Interior Designer

Description

Senior Interior Designer Construction | Residential, Commercial & Hospitality Projects| Design Jobs | Dubai

Up to £100,000 per annum plus flights, health and Profit Share Scheme

Our client a boutique design house in Dubai is in the market for a Senior Interior Designer to work on private commissions on luxury residences, commercial interiors and hotels 5* plus.

They are seeking a talented Senior Interior Designer to join their dynamic team of design professionals. This is a unique opportunity to work on some signature developments, elevate your craft and leave a legacy on some of the Middle East's most exclusive properties.

Key Requirements

- Conceptualise and execute interior design concepts, blending elegance, innovation, and functionality.
- Collaborate closely with architects, developers and artisans to bring visionary designs to life.
- Oversee all aspects of the design process, from initial sketches to final installations, ensuring meticulous attention to detail and uncompromising quality.
- Source premium materials, FF&E and finishes to create bespoke interiors that exceed client expectations.

What We're Looking For:

- A proven track record of designing luxury interiors for high-end projects.
- Proficiency in AutoCAD design software 2D and 3D and a keen eye for emerging trends and innovations.
- Exceptional communication and presentation skills, with the ability to articulate design concepts to clients and stakeholders.
- Prior exposure overseas would be advantageous, however not essential.
- A discerning taste for premium materials and finishes.

The package offered is tax free and paid in UAE Dirhams, flights home once a year, premium health insurance and you will be entitled to join their profit share scheme after satisfactory completion of your probationary period.
